

SOUTH VETERANS PARKWAY 2025 INFORMATIONAL OPEN HOUSE

Constructing South Veterans Parkway

Construction of the southern portion of Veterans Parkway began in 2023 and is occurring in segments, with each segment taking about two years to complete. The section of new road from Cliff Avenue to Sycamore Avenue will be constructed in 2025 and 2026. Construction of the first segment from Western Avenue to Cliff Avenue was completed in 2024. Design of the remaining two segments is underway.

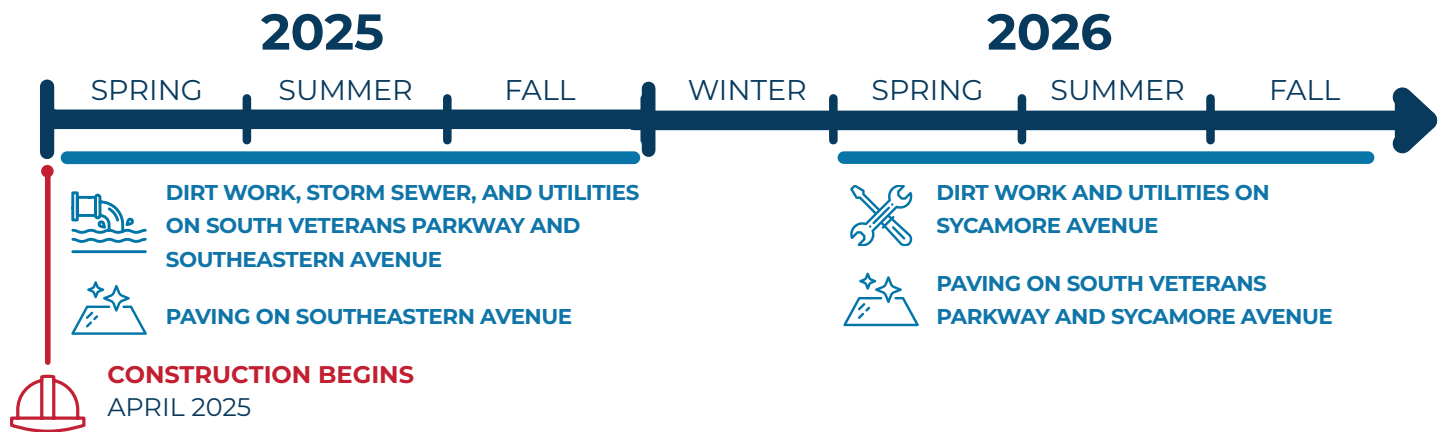

CONSTRUCTION HIGHLIGHTS

Cliff Avenue to Sycamore Avenue

- Construction will begin spring 2025
- Work with traffic impacts will occur on Southeastern Avenue and Sycamore Avenue near the new South Veterans Parkway
