

SOUTH VETERANS PARKWAY 2023 INFORMATIONAL OPEN HOUSE

Constructing South Veterans Parkway

Construction of the southern portion of Veterans Parkway will begin in 2023 and will occur in segments, with each segment taking about two years to complete. The section of new road from Western Avenue to Cliff Avenue will be constructed first, starting in June 2023 and continuing through 2024. The other segments of South Veterans Parkway are still being designed.

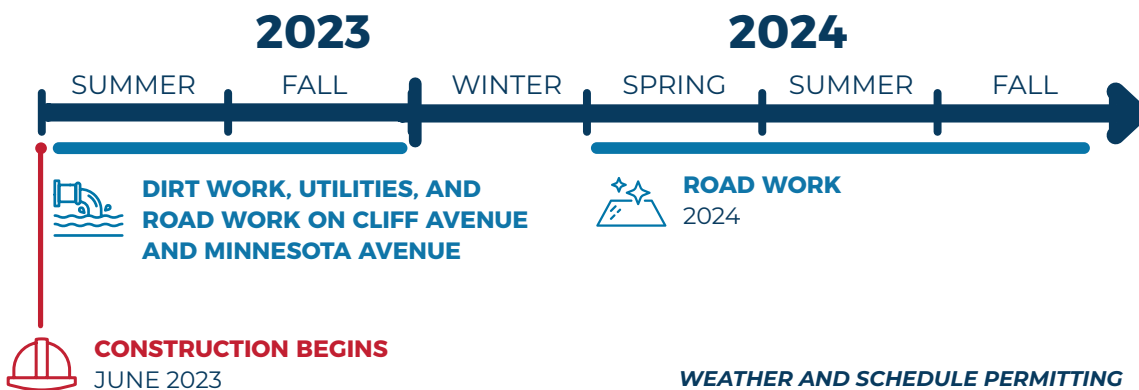

CONSTRUCTION HIGHLIGHTS

Western Avenue to Cliff Avenue

- Construction will begin in June 2023
- Work with traffic impacts will occur on Cliff Avenue and Minnesota Avenue near the new South Veterans Parkway
- Construction on Cliff Avenue will take place first beginning in mid-June 2023, followed by construction on Minnesota Avenue in late August/early September

Cliff Avenue Detour

85th Street traffic will be detoured to 69th Street at Minnesota Avenue and Southeastern Avenue.

Cliff Avenue traffic will be detoured to Minnesota Avenue at 69th Street and 271st Street (County Highway 106).

Every effort will be made to minimize travel impacts to motorists.

Access to adjacent businesses and residences will be maintained during construction.

Traffic Signals

Traffic signals will be installed at Cliff Avenue and Minnesota Avenue to allow hauling trucks to cross the road while minimally disrupting traffic.

Cliff Avenue

- Tentative start date: Mid-June 2023
- Contract No. PCN 08DF
- Detoured traffic at Cliff Avenue and 85th Street
- Access maintained to residences and businesses
- Construction complete by fall 2023

Summary of work:

Utility improvements and road work, including turn lane additions

Minnesota Avenue

- Tentative start date: Late August/early Sept. 2023
- Contract No. 08DE
- Construction will begin after completion of Cliff Avenue work.
- Construction complete by 2025

Summary of work:

Utility improvements and road work, including turn lane additions

Western Avenue

- Construction in 2024
- Contract No. 08DD
- In coordination with school recess for summer of 2024, intersection at 95th Street will be closed.

Summary of work:

Utility improvements and road work, including turn lane additions
